	Iran: Prime Minister Amini, apparently in a move to prevent officials from leaving the country to avoid charges of cor-	
	ruption, has instituted rigorous controls on the issuance of pass-	
	ports and exit visas. The government is also reported to be planning measures to prevent the transfer to capital abroad.	25X1

	The government's economic development program, announced on 11 May, calls for a new tax program and control	
	of inflation, and highlights the need for carrying out land re-	
	form, legislation for which has already been enacted but has not been enforced. Amini has appointed a competent, pro-	
,	Western official, Safi Asfia, as deputy prime minister and director of the Plan Organization, the body which will admin-2	5X1
	ister the economic development program.
